Family Child Care (FCC) Information for Parents

Family Child Care (FCC) offers quality care in a loving, learning home environment for children ages six weeks to twelve years. All homes are certified by DoD.

FCC providers are encouraged to obtain accreditation by the National Association for Family Child Care (NAFCC). As an additional quality assurance measure, FCC providers receive a minimum of one unannounced monitoring visit each month to assess providers' relationships with children and families, appropriateness of the learning environment, planned activities, safety and health of the home, and other items. The goal of these visits is to provide programmatic support and ensure adherence to Navy standards and policies.

Parent Fees

All FCC subsidized rates must be verified during initial registration using Total Family Income (TFI), and updated annually. TFI will be verified by documentation to include spouse's most recent LES(s), W-2 forms, or detailed pay information. Students are required to provide proof of full-time school enrollment.

- Eligible patrons include: Active Service Members / DoD Civilians.
- Parent fee is assessed through established income categories.
- Multi-child discount will be applied to additional child enrolled.
- Hourly fees will be discussed with your FCC provider.

Family Care Plan Campaign

The Child Development Centers, Child Development Homes, and the School Age Centers will be reaching out to military families to ensure the Family Care Plans are completed. Child & Youth Programs will work with families and their command to ensure all active duty single and dual military families with dependents enrolled in CDC or SAC programs have the correct paperwork completed and turned in for this requirement.

What is the Family Care Plan?

Family Care Plans are mission planning tools to establish and document written plans to care for minor children while the sailor is absent (DoD Instruction 1342.19).

Who does it affect?

The Family Care Plan (FCP) is required for all single and dual active duty military sailors with children enrolled in CDC or SAC programs.

When does the FCP need to be completed?

Single and dual sailors with dependents enrolled in CDC or SAC programs are asked to complete the FCP as soon as possible. New enrollments have up to 60 days from the original start date to provide FCP.

Why is it important?

To be mission ready and best prepared to take care of your child in case of an emergency.

What can you do?

Contact CYP as soon as possible to verify your FCP status.

For more information, scan the QR code on the right.

Do you need childcare for your appointment?

Spaces are available at all CDC, FCC & SAC programs after school only or on no-school days.

Steps to register for Hourly Care:

1. Complete a Navy CYP Registration packet:
MWR_Yokosuka_CYPadmin@us.navy.mil
2. Email or drop-off forms at any CDC (243-3219, 243-3033, or 246-8060) or CYP Admin Office (243-4079).
3. An orientation is required before drop off.
Registration link for finding hourly care availability is <https://myffr.navyaims.com/yokosukacyp.html>
