DESCRIPTION:

Aloha! Welcome to Spa Resort Hawaiians, Japan's first and largest hot spring theme parks. Located in the Iwaki Yumoto hot spring area of Fukushima, this natural hot spring spa began from the once-thriving coal mining community and was the inspiration behind the 2006 major motion picture Hula Girls; an adaption to the real-life story of the people who gave birth to the Joban Hawaiian Center. Enjoy your relaxing and exiting time at this big dome type Hot spring water park!
