DESCRIPTION:

If you've never thought of Mt. Fuji as a Jungle, think again. Welcome to Fuji Safari Park! Located in the lush foothills of Mt. Fuji awaits your Japanese Safari adventure. This unique open-air zoo allows the wild animals in the Safari Zone to roam free among the boundaries of the park. The highlight of the experience will be to feed animals as we ride the custom Jungle Bus. This bus is fitted with wire netting allowing us to hand-feed wild lions and bears! Animals not only from Africa, but from all over the world inhabit the zoo. Other attractions include interacting with some of the smaller animals. Don't miss this fun-filled day of adventure and excitement (<http://www.fujisafari.co.jp/english/index.html>).
