Comment: Please restore the 6 p.m. Fleet Theater show time. This was an ideal time for employees’ end-of-day movie attendance. The later time requires a return to base from remotely located housing. If this is not possible, please make one weekday 6 p.m. show for all new release movies. Thank you.

Response: The movie schedule for Fleet Theater adjusts throughout the year, based on attendance, which fluctuates with the number of ships in port. Currently, Fleet Theater is only open Friday thru Sunday. Benny Decker Theater is open 7 days a week, with daily movies showing at 5:30 p.m. There has been a decrease in the number of “First-run” movies CFAY MWR receives from the Naval Motion Picture Association. Thank you again for your comment and feedback. CFAY MWR will continue to look at this issue and determine if changes are warranted. Please feel free to contact the theater manager at 243-6703 for any further information.
