Weightlifting Programs:

POWER HOUR:

Power Hour focuses on the 3 power lifts: squat, bench, and deadlift. In this class we focus on improving your technique in those lifts which will also improve your functional strength, muscular endurance, and bone density.

FUNCTIONAL FITNESS:

This program combines effective coaching methods and universal scalability to teach safe functional movement patterns involved with weightlifting, gymnastics, running, rowing, and more.

TACFIT BASICS:

Designed to provide an introduction to the core principles and exercises of the Tactical Fitness Program. Under guidance of experienced coaching staff, participants learn proper technique for barbell lifts, body weight exercises and cardiovascular activities.

TACTICAL FITNESS:

Our Tactical Fitness program is an exciting conditioning program that balances strength work with power, speed, and agility training. If you are looking to be lean, strong and healthy this class delivers the most efficient way to improve metabolic conditioning and overall **athleticism**.

TACFIT LITE:

TacFit Lite is a cross training programmed designed for the following athletes: the beginner athlete, pre, peri, and postpartum athletes, the previously injured athlete, athletes coming back from an extended break and anyone interested in becoming lean, strong and healthy.

THE BARBELL CLUB:

The Barbell Club is an Olympic lifting class designed to improve your strength and technique in the Olympic lifts, the Clean and Jerk and Snatch. Our class breaks the movements down in order to practice technique while also building form and stability in the lifts. Classes include strength, technique work, accessory work and complexes.

WEIGHTLIFTING (OLYMPIC LIFTING TECHNIQUES):

The Weightlifting program caters to all experience levels, from beginner lifters to elite athletes. Designed to improve lifting health by teaching proper mobility, form, technique and mindset. Movements will consist of the Snatch, Clean and Jerk and Clean variations. Modifications offered as needed.

Group Exercise Classes:

INDOOR CYCLING

Indoor cycling is a low impact exercise designed to improve your cardiovascular health. Benefits include strength and endurance but will also challenge your core engagement. With emphasis on high-intensity training, indoor cycling will assist in burning the most calories in a short period of time and intended for all levels.

LES MILLS BODYATTACK®

A high-energy sports conditioning class with moves that cater to total beginners as well as advanced members. We combine athletic movements like running, lunging and jumping with strength exercises such as push-ups and squats. Improves coordination and agility, while maximizing cardio stamina.

LES MILLS BODYBALANCE®

Ideal for anyone and everyone, LES MILLS BODYBALANCE® is a new generation yoga class that will improve your mind, your body and your life. Expect to bend and stretch through a series of simple yoga moves, elements of Tai Chi and Pilates. Instructors will always provide options for those just getting started.

LES MILLS BODYCOMBAT®

A no-contact, high energy martial arts inspired workout where you punch and kick your way to fitness! No experience needed. Release stress, have a blast and feel like a champ!

LES MILLS BODYPUMP®

A total body workout using light to moderate weights with many repetitions. Instructors will coach you through the moves & techniques while encouraging and motivating you to achieve a stronger, healthier body.

SPIN

Rev up your fitness in our high-energy Spin Class! Burn calories, boost endurance, and tone muscles in this fun, fast-paced workout. Whether you're a beginner or pro, the instructor will guide you through challenging intervals and energizing tunes.

ZUMBA®

A total workout, combining all elements of fitness—cardio, muscle conditioning, balance, flexibility, to boost your energy. The mix of low and high-intensity moves provides for an interval-style, calorie-burning dance fitness party.
