### Family Care Plan Campaign

The Child Development Centers, Family Child Care and the School Age Centers will be reaching out to military families to ensure the Family Care Plans are completed. Child & Youth Programs will work with families and their command to ensure all active duty single and dual military families with dependents enrolled in CDC or SAC programs have the correct paperwork completed and turned in for this requirement.

#### What is the Family Care Plan?

Family Care Plans are mission planning tools to establish and document written plans to care for minor children while the sailor is absent (DoD Instruction 1342.19).

#### Who does it affect?

The Family Care Plan (FCP) is required for all single and dual active duty military sailors with children enrolled in CDC or SAC programs.

#### When does the FCP need to be completed?

Single and dual sailors with dependents enrolled in CDC or SAC programs are asked to complete the FCP as soon as possible. New enrollments have up to 60 days from the original start date to provide FCP.

#### Why is it important?

To be mission ready and best prepared to take care of your child in case of an emergency.

#### What can you do?

Contact CYP as soon as possible to verify your FCP status.

For more information, please call DSN: 243-4079 or 046-816 4079 or Email: [MWR\\_Yokosuka\\_FCC@us.navy.mil](mailto:MWR_Yokosuka_FCC@us.navy.mil) or [MWR\\_Yokosuka\\_CYPadmin@us.navy.mil](mailto:MWR_Yokosuka_CYPadmin@us.navy.mil)

## Family Child Care (FCC) Information for Parents

Family Child Care (FCC) offers quality care in a loving, learning home environment for children ages six weeks to twelve years. All homes are certified by DoD.

FCC providers are encouraged to obtain accreditation by the National Association for Family Child Care (NAFCC). As an additional quality assurance measure, FCC providers receive a minimum of one unannounced monitoring visit each month to assess providers' relationships with children and families, appropriateness of the learning environment, planned activities, safety and health of the home, and other items. The goal of these visits is to provide programmatic support and ensure adherence to Navy standards and policies.

### Parent Fees

All FCC subsidized rates must be verified during initial registration using Total Family Income (TFI), and updated annually. TFI will be verified by documentation to include spouse's most recent LES(s), W-2 forms, or detailed pay information. Students are required to provide proof of full-time school enrollment.

- Eligible patrons include: Active Service Members / DoD Civilians.
- Parent fee is assessed through established income categories.
- Multi-child discount will be applied to additional child enrolled.
- Hourly fees will be discussed with your FCC provider.

Contact us for more information about Family Child Care (FCC) at: DSN: 241-2978 or 046-896-2978 or 070-1201-7944 or E-mail: [MWR\\_Yokosuka\\_FCC@us.navy.mil](mailto:MWR_Yokosuka_FCC@us.navy.mil) or visit [www.navymwryokosuka.com](http://www.navymwryokosuka.com)

## What is a School Liaison Officer?

The School Liaison Officer serves as the liaison between the installation commander, military agencies, and schools by providing assistance in matters pertaining to student education.

The School Liaison Officer also implements the Navy's Strategic Planning for Education Advocacy K-12 recommendations in order to ensure Navy families have access to quality educational opportunities.

School Liaison Officers level the playing field for military children by ensuring maximum educational opportunities for success.

## Why are School Liaison Officers needed?

School transition and deployment support is a Navy readiness and retention issue. The Navy benefits from having Sailors who can focus on their duties, whether ashore or deployed.

- Navy families move their children an average of every 2.9 years.
- Children of military personnel attend up to 9 different schools by graduation.
- Military families are reluctant to disrupt high school youth in their senior year.
- Deployments can impact educational outcomes of children.
- Many families decide to "separate geographically" to keep kids in current school.

## Navy School Liaison Officers Provide Seven Core Services to Assist Families

### • School Transition Services

Assist families with school transfers and help 'level the playing field' for military children and youth.

### • Deployment Support

Connect educators with Navy deployment support system to inform them about cycles of deployment and tools available to assist in working with Navy children.

### • Command, School, Community Communications

Serve as subject matter experts for installation commanders on K-12 issues, helping to connect command, school and community resources.

### • Home School Linkage and Support

Assist families by gathering and sharing information on home schooling issues, policies and legislation and help leverage CYP resources to support these families.

### • Partnerships in Education (PIE)

Creates volunteer network of resources to support installation and community members who have vested interest in the success of all youth.

### • Post-Secondary Preparations

Leverage installation and school resources to provide graduating military students with access to post secondary information and opportunities.

### • Special Needs System Navigation

Provide information on installation and community programs and services, make referrals to EFMP, and assist in navigating administrative systems within LEAs.

For more information or to contact the School Liaison Officer, E-mail: [MWR\\_Yokosuka\\_School\\_Liaison@us.navy.mil](mailto:MWR_Yokosuka_School_Liaison@us.navy.mil)
